[Aquifer Exemption Guidance 34.pdf](#)

Jane:

Please find attached the State's Aquifer Exemption Guidance Document. We are sorry for the delay, but as you can imagine, there were many moving parts in the development process. We look forward to your comments. Please note that our guidance document references the US EPA Guidance Document #34, and therefore we have also include a copy of the document.

Sincerely,

Robert S. Habel

Technical Services Manager

Division of Oil, Gas, and Geothermal Resources
